International Honor Society for High School Journalists

The Quill and Scroll is a national organization for journalists. To be eligible for membership, one must have a B average and be approved by his counselor. The journalistic field may be either the annual, newspaper, photography, or some other field of school publication.

*In Memory*  
*of*  
*Mr. Henry Evans*

In memory of Mr. Henry B. Evans we dedicate these pages. He was a true friend to all the students at RHS and a loyal member of his community. While attending what is now Memphis State University he was an outstanding athlete participating in basketball and football. Mr. Evans was a faithful sports fan and always supported the teams. Before being elected school Superintendent he served as Mayor of Decaturville, principal and coach of Decaturville High School, and a teacher at many schools in the surrounding area. Many a student came to him with their problems, because they found him to be a sympathetic and understanding person. We loved him, admired him, respected him. He was our friend. Now he is with God, and his trials are over.
